COMMUNITY IMPROVEMENT
Three local communities in the county are participating in the Texas Community Improvement Program for 1962-63. Gause, Davila and Criffin Chappel. This program is conducted by the Texas Agricultural Extension Service and sponsored by electric utility companies operating in Texas, to promote community progress for better homes, on better farms in better communities.

Local representative from the Texas Power and Light Company, Mr. Henry M. Siebman and Eugene Pruess, Farm Service Representative of Temple, have made available for each community three signs for identification as participants in the program. Each community has made a monthly calendar of activities to be carried out in their community.

4-H SEARS SWINE PROGRAM
The 1962 4-H Sears Swine Program is a partial success. The three gilts owned by Frederick Kelly and L. S. Stevens of Cameron and Roger Petty of Jones Prairie farrowed a total of 23 pigs. Larry Ray of Davila and Kenard Williams had barren gilts and they will be replaced by the Sears Foundation Program.

Some improvements are needed in the form of equipment, farrowing pens and pastures for the swine. The distribution dates for 4-H Clubbers entering the 1963 program committee, J. A. Petty chairman. Recognition will be given to the 4-H Club members that do good jobs in management.

Judge Wallace

To Attend Meet

District Judge W. C. Wallace of Cameron announced plans to attend the annual conference of Texas judges opening Thursday, Oct. 4 in Austin.

The three - day meeting, with headquarters at the Commodore Perry Hotel, will attract some 300 members of the Texas State Bar's judicial section, headed by San Antonio appellate judge Jack Pope, chairman. Membership of the organization ranges from domestic relations court judges to judges of the Supreme Court of Texas. The conference will include a series of seminars under the joint direction of the University of Texas Law School and the American Bar Association.

FOR SALE

Almost like new, some have hinges and hardware.

Burlington — David Krause Visits Parents Over Weekend

By Mrs. George Logan

David Krause was here last week end from A & M College for a visit to his parents Mr. and Mrs. Phil Krause.

Mrs. Phil Krause was in Waco last Friday on business. She was accompanied to Burlington by Misses Carol Jean Helpert and Judy Krause who spent the weekend here with relatives.

Mr. and Mrs. Woodrow Wright and daughter Judy of Houston are guests of relatives here and at Cameron and Rosebud last week.

Miss Betty Sue Foshee of Burlington spent last week in Cameron with her grandpa Foshee while her grandmother Foshee was a patient in St. Edward Hospital in Cameron.

S-F Edgar Boehme and family of Tacoma, Wash. are here on vacation at the home of his parents Mr. and Mrs. Charlie Boehme. Other relatives who have visited recently in the Charlie Boehme home were: Mr. and Mrs. Clarence Boehme and family of Channel View, Mr. and Mrs. Melvin Boehme and family of Temple, Mr. and Mrs. Arthur Boehme and family of Waco, Mr. and Mrs. Edwin Boehme and family of Mexico and Mr. and Mrs. Kenneth Hessel of Austin.

Billie Don Davenport is home from Sweetest hospital after being a patient there for two weeks.

Mr. and Mrs. Adolph Stoenber of Travis, Mr. and Mrs. Fritz Stoenber of Burlington were guests of Mr. and Mrs. Will Stoenber Tuesday night.

Mr. and Mrs. Will Stoenber of Burlington and Mr. and Mrs. Walter Hohring of Clarkson were guests of Mr. and Mrs. Lloyd Stoenber and family at Ft. Worth last Saturday.

Mr. and Mrs. Jake Futschik and son Joseph were in Houston Friday where Joseph entered St. Mary's Academy.

Eugene Hoffmann who was seriously injured by a tractor, is out of the hospital where he was a patient for three days. His condition has improved.

Father John Geiser of Cameron visited Miss Mary Geiser of Burlington in a hospital in Austin and reports her condition much improved.

Marcella Mikuniec of Cameron underwent surgery in Scott & White hospital in Temple Tuesday. Her relatives have made visits to her there.

Mrs. Selma Albrechts and Alice Piske of Texas City and Eunice Boecker of Bryan were guests of Mr. and Mrs. L. H. Jankiek recently.

Mr. and Mrs. Walter Braun and family of Temple visited her mother, Mrs. Margaret McAtee at Burlington last week.

Mrs. Aleta Marek, Mr. and Mrs. Biffie Wayne Marek were in Dallas last weekend on business.

Mr. and Mrs. John Chaffett of Marble Falls spent Tuesday night at the home of Mr. and Mrs. Fritz Wied. They had visited his mother, Mrs. Mary Chaffett and his sister and brother-in-law, in Rosebud at the home of Mr. and Mrs. H. W. Elmer.

Rev. Fletcher filed his appoint-

Koko To Be

Featured At

Waco Fair, Rodeo

WAC 6— Rex Allen, star of the October 26 Heart O'Texas Fair And Rodeo, owns one of America's most coveted horses — KOKO, a quarter horse of proud Missouri stock and known as "The most beautiful horse in the world."

KOKO, a well bred and trained animal, could win blue ribbons in any competition for his conformation, speed, stamina and manners.

KOKO has traveled across the continent many times, although Rex is sometimes forced to leave him at home in San Fernando Valley on some personal appearance.

KOKO sometimes travels by railroad but usually rides to distant points in his personal "car" — a luxury stock trailer especially designed for his comfort and safety.

KOKO's method of transportation from California to Waco for the October Fair and Rodeo will be announced later.

ASCS REPORT

Tabulations of ballots in the Milam County Community Committee election has been completed according to Alva E. Sanders, County Agricultural, Stabilization and Conservation Service.

Committees elected in the communities shown as follows are listed in the order of chairman, vice - chairman, regular member, first alternate and second alternate.

"A" Clarkson Community — William J. Conman, Will Vogelzang, George A. Dodd, Albert Dorrer and Hugo Hollas. "B" Maysfield Community — Robert F. Foster, Charles E. Hensley, Chamberlain Harlan, J. A. Looney and Earnest Dodd. "C" Milano Community — Reese Ashley, M. H. Wimberly, Gus C. Beckhusen, Ray Whited, and Lee Kae. "D" Rockdale Community — Pete A. Koen, Lawrence L. Keen, J. L. Devers, Perry Luetge, and Antone W. Gest. "E" Thorndale Community — Gus P. Schramm, Douglas M. Phillips, Erwin Hessel, Roy O. Hengst, and James L. Terry. "F" Sharp Community — Leroy Gaffere, Wilborn E. Beckhusen, Leonard L. Janke, Guido Gersbach and Henry W. Abel. "G" Buckharts Community — Alva E. Fuchs, Henry Vaculin, Wilke F. Glaser, Anton Svetlik and Deffin Schiller. "H" Cameron Community — Victory J. Vaculin, William Vogelzang, Barbee Barrett, Hubert Jistel and Joe Ford.

These community committees will take office October 1 for a period of one year, Sanders said.

ment at the church Sunday and at night. He was a dinner guest of Mr. and Mrs. Pete Benesh.

Next church services will be October 7. Hereafter preaching service will be every other Sunday.

Mr. and Mrs. B. J. Prescott had their four sisters, Carol Ann, Linda Joyce and Mildred of Temple as visitors last Sunday.

Reed Davis, Sharp 4-H member, will exhibit two lambs, one Crossbred and one Finewool.

Brant Laywell County Wide 4-H member, will exhibit one South-down.

County Wide 4-H Club met Tuesday, September 24 and elected officers. Senior officers are: Dennis Jistel, President; Linda Tucker, Vice President; LaNell Moraw, Secretary; Donna DuBois, treasurer; Jo Ann Hollas, Council Delegate; Bonnie Kastroun, Reporter; and Martin Jistel, Recreation Leader.

Melvin Hollas, County Wide 4-H member was first in the District Record Book Contest in Safety in the Junior Division.

County 4-H Council will meet Saturday, September 29, at 9:30 a. m. in the Community Room at the Citizens National Bank in Cameron.

All Club Presidents and Council Delegates are urged to attend.

INTRODUCING

Charles Ray Kahlig, 7 lbs. 14 ozs. son born Sept. 21 to Mr. and Mrs. Ralph Kahlig, Temple. Grandparents are Mr. and Mrs. Arnold Rummel of Cameron and Mr. and Mrs. George Kahlig of Burlington. Great Grandparents are Mrs. John Rummel of Cameron, Mrs. Otto Lucko of Ben Arnold and Mrs. J. F. Kahlig of Westphalia. Mrs. Kahlig is the former Norma Rummel of Cameron. The Kahligs have one other child, David Wayne.

Three Arts Club

Plans Safari Party

The Three Arts Club Program Committee will host a Safari Party Thursday night opening the club year.

Members and their husbands will meet at the Country Club to go on safari for their dinner.

The program committee members are Mrs. John A. Smith, Mrs. Niley J. Smith, Mrs. John H. Henderson, Jr., and Mrs. John H. Davis. Mrs. E. O. Smith Jr. is Club president.

PLANT DISEASES

Cotton root rot is one of the most common plant diseases in Texas attacking about 80 percent of the state's wild and cultivated plants. The fungus may live on some trees and shrubs without killing them but small trees, shrubs and flowers die suddenly. The root of the plants affected actually rot off. It is not found in the Panhandle and South Plains areas.

REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending September 15 were 24 strep throat and one measles, according to Dr. T. E. Crump.

Copperas Cove Tops Rogers 14-8 For First Win Of 1962 Season

The Copperas Cove Bulldogs won their first game of the season and sent the Rogers Eagles to their third defeat as both teams scored their first points of the year.

It was too much Melvin Millsaps, as he reeled off runs of 45 and 14 yards for both of the Bulldogs touchdowns. In the first quarter Millsaps climaxed a 65 yard drive as he averted tacklers and then broke loose for a 45 yard jaunt. Ray Cassen ran over for the extra point.

In the second quarter, the Rogers Eagles tied the score, as Carl Foster scored on a two yard plunge and then ran over for the extra points. His score climaxed a 12 yard drive that was set up on a punt return by the Eagles' fleet halfback, Joe Jimenez. Jimenez returned the ball 30 yards and needed only one block to go all the way.

Later in the second quarter, the Eagles missed an excellent opportunity to score, when Foster blocked a Bulldog punt on the 14 yard line and the ball was moved to the seven yard line on a personal foul penalty against Copperas Cove. The Bulldogs' defense held the Eagles on downs as the half ended.

Again in the third quarter, it was Millsaps going over from the 14 yard line, on a beautifully executed double reverse. This play climaxed a 59 yard drive. A line buck failed to get the extra points. The Bulldogs used ball control throughout the fourth quarter in defeating the Eagles 14-8.

Millsaps was the game's outstanding back as he gained 125 yards in 15 carries. Louis Dewald and Roland Esch were defensive standouts for the Bulldogs. Dewald seemed to be in on every tackle.

Carl Foster and Joe Jimenez were the offensive standouts for the Eagles, as they gained 64 and 29 yards respectively. Jimenez made several fine punt returns, one of them set up the Eagles' lone tally. Foster furnished power up the middle as he was called upon time and again to get needed yardage.

Chandler Cisco was back in form as the big tackle led the Eagles

defensive line with several bruising tackles. Maxie Morgan, Larry Meyer and Kenny Waits were instrumental in opening up big holes for the backs as most of the Eagles yardage was made over these three linemen. Waits continued his fine punting as he averaged 39 yards on five punts, one of which rolled out on the Cove one yard line.

1963 DODGE - This standard - size, low - price Dodge has a 119 - inch wheelbase and larger exterior dimensions which appreciably increase inside roominess and trunk space. Twenty - four models are offered, including this

Polara four - door hardtop. Schiller Motors, of Cameron, will introduce both the Standard Dodge and the Dodge Dart Tuesday, October 2. The "880" line will be introduced in December.

Dodge, New Dart On Display Oct. 2

Dodge will introduce a longer roomier, standard - size entry in the low price car market Tuesday.

The new Dodge is built on a 119 - inch wheelbase and is six inches longer than last year's models. The Dodge line offers a choice of 24 different models in three series.

Both the popular - price Dodge and its compact companion, the 1963 Dart, will be shown to the public at Schiller Motors Tuesday, October 2.

Dodge General Manager Byron J. Nichols said the new Dodge, the compact Dart and the luxury-

line Dodge 880 - to be introduced in December - will give motorists the widest selection of cars in the company's 49 - year history.

SIZE INCREASED

"We have increased the size of the Dodge, given it greater performance capabilities, lengthened its potential life and reduced its servicing requirements," Nichols said. "We have done this, especially, to permit its owners to take full advantage of our nation's fast-growing network of fine highways and freeways."

"Owners of 1963 Dodges will be able to travel longer distances

OJT Loses Tilt

The Bulldogs lost their first conference game of the season, Saturday. The Panthers proved to be too much for the Bulldogs.

In spite of the score, the Bulldogs still showed some signs of offense. Outstanding on offense were Melvin Bradley who scored two touchdowns on runs of 40 and 65 yards; Frederick Kelly who scored on a pass and run of 75 yards; and Bruce Aycox who passed to

Kelley and handled the quarterback chores.

Next Saturday, the Bulldogs will journey to Belton.

MOISTURE TEST

A simple moisture test for silage is to squeeze a handful. If it springs right back it's too dry. If it comes back gradually it's just right. If it remains in a compact mess it is too wet.

He asserted that the Dart is small enough to provide exceptional ease of handling and parking yet large enough to accommodate the average - size family in comfort.

The nine Dart models are in three series: the economical "170" the deluxe "270" and the "GI" sports series.

The GT series has two models: a two - door hardtop and a convertible, both with bucket seats.

The "270" series features two and four door sedans, a convertible and a four - door six - passenger station wagon. The "170" series also includes two and four-door sedans and a six - passenger wagon.

Dart buyers have a choice of two engines. Standard is a Slant Six with a 170 - cubic - inch displacement. A larger, 225 - cubic inch "six" is a low - cost option. Both provide excellent mileage on regular grades of gasoline.

HORSTMANN BROTHERS

Mr. and Mrs. Charles Joseph Matula

D'Amato, Matula Wed In California Rites

Miss Frances Ann D'Amato of El Monte, Calif., became the bride of Charles Joseph Matula of Pearl Harbor, Hawaii, Sept. 15 at the Nativity Catholic Church in El Monte, Calif. Rev. Dennis Gony performed the double ring ceremony.

The bride is the daughter of Mrs. Mary D'Amato of El Monte, Calif. The bride groom is the son of Mr. and Mrs. Charles Matula of Cameron.

Given in marriage by her brother, Robert D'Amato, the bride was gown in a white silk organza creation with side bustles and short bouffant sleeves. A floral applique increased with baby seed pearls draped the bodice of the Martha Washington designed gown. The full applique skirt formed a chapel train in back. Her fingertip veil of white tulle fell from a crown of rhinestones and seed pearls. She carried a water fall cascade bouquet of butterfly orchids tucked by sky blue tulle with satin streamers and centered with a cattaila orchid.

Mrs. Albert Mondrik, sister of the groom, of Temple was matron of honor. Bridesmaids were Miss Pam Cordia and Miss Louise Crendish.

They were dressed in emerald green tulle-trimmed suits with short cap sleeves featuring a sweet, let-it-bell-shaped skirt. The matching hat pieces featured a head cluster effect holding a circular veil. They wore matching satin shoes and white gloves.

They carried cascade bouquets of pale yellow carnations backed with green tulle and satin streamers.

Miss Debbie Dunkel was flower girl. She wore a white silk and net dress and carried a white basket of yellow rose petals. Ring bearer was Michael De Amato.

Bestman was Albert Frank Mondrik, brother-in-law of the groom of Temple. Groomsmen were Chuck Cannon and Jimmy Higgins. Ushers were Danny Cabral and Lincoln Mondrik.

David Harmon furnished organ music and Mrs. Anita Perbell was the soloist.

The bride's mother was attired in a sheath of pink tulle featuring pink organza overlay with round neckline. The groom's mother wore a pink tulle sheath with pink floral lace overlay, with matching hat and shoes.

For a honeymoon to Cameron the bride chose a coral colored two-piece cotton suit with bone accessories and the archaic corsage from her bouquet.

The bride is a 1962 graduate of Arroyo High School. The groom graduated from Yow High School and is now in the U. S. Navy, stationed at Pearl Harbor, Hawaii.

The couple will make their home in Waiakiki, Hawaii after October 1.

Out of town guests were Miss Marie De Santa of Brooklyn, N. Y., Mr. and Mrs. Albert Mondrik of Temple, Mr. and Mrs. Loncin Mondrik, Mr. and Mrs. Charles Matula and Mrs. Betty Massengale all of Cameron.

Mr. and Mrs. John Provasek were host for the rehearsal dinner at their home in El Monte, Calif. Thursday night.

Mr. and Mrs. N. M. Moore, 6720 Ravendale, Dallas, announce the engagement of their daughter, Elizabeth Ann, to Byron Ray Fletcher. Fletcher is the son of Mr. and Mrs. William Henry Fletcher, 1902 North Fannin. A November 9th wedding is planned at The Junius Heights Baptist Church in Dallas.

Mr. and Mrs. J. M. McLean

50th Anniversary Cited For Mc Leans

Mr. and Mrs. J. M. McLean will celebrate their 50th wedding anniversary Sunday afternoon September 30 with open house from 1:30 until 5 p. m. at the home of their son, J. E. McLean in Jacksonville.

Mr. and Mrs. McLean have lived in Jacksonville since his retirement from the Southwestern Bell Telephone Co. in Cameron in 1962.

They are members of the First Methodist Church and are active members in the Eastern Star and he is a member of the Masonic Lodge, Odd Fellows Lodge and

Pleasure - Profit Club Has Meeting

The Pleasure and Profit Club met Thursday to install officers at the Cameron Country Club. Mrs. S. H. Richardson was hostess and Mrs. Corneilus Thierworth, co-hostess.

Miss Lois Randolph installed the following officers: President, Mrs. Barnie Jackson, Vice - President Mrs. Buddy Wise, Secretary Mrs. Maxine Dodd, Reporter - Historian Mrs. Roy Bessley.

Mrs. Wanda Clark presented the yearbooks. A salad plate was served.

The next meeting will be in the home of Mrs. Vivian Schuler.

Cameronites Go To A&M Meeting

Mr. and Mrs. Niley Smith, Sr. and Mrs. W. W. Bulbourn attended the Federation of the Texas A&M Mothers' Club in College Station, September 11.

Mrs. Carroll Cox of Beaumont, State President, presided over the business meeting. Several speakers from the College presented some interesting projects.

These are being devised for the ensuing year of which local clubs have a part.

The Milam County Club is pleased to note that its name has been inscribed on a plaque as a donor to the clock placed in the Memorial Student center. This is one of last year's project.

All mothers who now have or have had boys in A & M College contact the secretary, Mrs. Ida Johns. If interested and we will notify you of our first meeting which will be in October.

Luncheon Set For Woman's Society

The Woman's Society of Christian Service of the First Methodist Church will meet Monday Oct. 1 for luncheon and business meeting in the Lounge of the Fellowship Hall.

The four circles of the Society met Monday and Tuesday to continue their study of "Responsible Adults for Tomorrow's World." The

Benecio Circle met with Mrs. John Henderson with 18 members present. The Ferris and McCullin circles met in the Lounge with 15 members present and the McCall circle met with Mrs. Stanley Fikes with 14 members present.

Yard Often Site For Home Injuries

Almost 12 per cent of all home accident deaths occur in the yard, according to the Texas Safety Association.

"According to the Texas Safety Association findings," Lone Star Gas Co. Manager Charlie Burke said today, "careless handling of rakes, hoses, ladders and the power lawnmower represent the principal dangers to the amateur gardener."

Lone Star is sponsoring a home safety program in Cameron for the second straight year along with co-sponsors the Texas Safety Association and The Cameron Herald.

The Texas Safety Association recommends that hoses, rakes and other similar yard tools be turned downward when momentarily laid aside. These yard tools, as well as ladders, should be stored properly when not in use, thus preventing falls.

These safety rules should be observed when operating the power mower:

1. Be sure of your footing and balance at all times.

2. Keep children and pets at a safe distance when you use the mower.

3. Do not reach under the mower to push it over obstructions. Tip it by manipulating the handle.

4. Do not use electric mower when ground is wet.

5. Do not use mower until the lawn has been cleared of stones.

wires and other articles.

6. Stop engine before removing objects from reel or rotary blades.

7. Disconnect plug wires when working on underside of mower.

8. Keep fuel out of reach of children. Store fuel in closed metal container.

9. Shut off mower before leaving it unattended.

10. Keep flame away from mower while refueling.

There are other causes of fatal falls in the yard. In Dallas in 1960, for example, nine people died in falls reported as follows: stumbled over chicken wire chasing chickens, 1; slipped on patio, 1; fell down steps, 1; fell en route to garage, 1; fell entering house, 1; fell off porch, 1; and lost footing on ladder or roof, 1.

Motl, Hubnik

Engagement Set

Mr. and Mrs. C. F. Motl of Temple announce the engagement and daughter Katherine Joyce to Henry Charles Hubnik, son of Mr. and Mrs. John Hubnik of Cameron.

Vows will be exchanged at the Saints Cyril - Methodius Catholic Church October 27 with the Rev. Rafael Gershom officiating.

IN COLLEGE

Dwayne Jekel is attending classes at A&M College, College Station.

Dwayne Juergens is at Hardin-Simmons at Abilene and Linda Schiller is at Mary - Hardin Baylor.

The MYF of the First Methodist Church of Cameron met Sunday night, September 16. The following officers were elected:

President, Jane Monroe; vice president, Craig Wallace; secretary, Cath Grimes; treasurer, Carol Ann Wilson; reporter, Linda Tucker and sponsor Stewart Perkins. Plans for the coming year were made.

HN
The fire department was called to a grass fire Friday on a vacant lot on North Travis. No damage was reported.

HN
H. K. Parker of Texas Forest Service, LaGrange, will investigate county fires beyond the city limits from now on - Fire Marshal, John Eanes.

HN
There has been much activity in Yoe High School the past week with classes, club and other organizations getting off to a fast start on the year's work.

The Student Council met for the first time on Sept. 10. In its second meeting Sept. 14 the following officers were elected by popular vote: President, Bobby Jones; vice

president, Marie Conley; secretary treasurer, Billie Burke; reporter, Tom Moody; parliamentarian, Melvin Provance.

The Yoe Chapter of Junior Historians elected their officers on Sept. 20. They are president, Billie Burke; vice - president, Bill Looney; secretary, Linda Tucker; reporter, Peggy Mann. This organization gathers and preserves local history.

The Library Club had their first meeting Sept. 5 and will meet every first Wednesday of each month. The club's purpose is to set up library work and get acquainted with the duties in the library.

The FFA and the FHA held separate meetings on Wednesday, Sept. 26. Their meeting date will be the fourth Wednesday of each month.

Bell Telephone Company sponsored a film for Yoe High Science Classes, Sept. 20. The film was "The Laying of the Trans - Atlantic Telephone Cable." Other films of this type are to be shown once a month.

The National Honor Society met on Sept. 10 and elected the following officers: president, Jane Monroe; vice - president, Bill Looney; secretary, Peggy Schiller; treasurer, Billie Burke; parliamentarian, Jon Zelisko; reporter, Carol Ann Crook and Pam Green.

HN
Clyde Brumley is shoeing horses at his old stand behind the Milam Hotel.

HN
Cameron city officials have noted that traffic on US 77 - SH 36 (Fourth Street) in Cameron is designated a two - lane highway as far as traffic is concerned. Passing cars on the left of slower traffic, but inside the double yellow dividing stripe is legal, but passing traffic on the right-hand side is not, officials said. This traffic control will make it safer to drive on Fourth Street where inter - city traffic is building with additional flow on US 77.

HN
The City Council met 5 p. m. Tuesday in special session to open bids for a pickup truck for the Department and a garbage truck for the Sanitation Department.

HN
Chief Elvin Hoskins Tuesday reported that no accidents had occurred in Cameron in the past week. He said he "kept his fingers crossed that Cameron would continue its no - accident streak going. He noted as well that City Jail had no occupants at mid - week.

HN
Preparation for the new distribution business in the Gohmert Building was completed this week. The new occupants, yet unannounced, are expected to move in about October 1.

PM
Mr. and Mrs. Dan Tolopka and daughter Mary Elizabeth of Houston visited her uncle and aunt Tom Gleason and Miss Mary Gleason Friday. They left for Ft. Worth for a visit to his relatives.

Obituaries

Rites Held For Mrs. Watterson

Funeral services for Mrs. Sallie Gray Watterson, 75, were held Sunday in the chapel of Green Funeral Home with Rev. A. F. Russell officiating, assisted by Rev. H. M. Bowley. Burial was in Powers Chapel Cemetery near Rosebud.

Mrs. Watterson had been a resident of Milam County most of her life and resided at the Cameron Nursing Home.

She is survived by six daughters, Mrs. R. T. Shaffer, Mrs. W. W. Johnson, Mrs. W. R. Price, Mrs. B. C. Caldwell, and Mrs. L. E. Thompson, all of Cameron and Mrs. Billie Williams of Dallas; two sons, Johnnie H. Watterson of Cameron and J. W. Watterson of Dallas. Also surviving her are her step-son, Charlie Watterson of Mexico; two brothers, P. B. Gray of Thorndale and John Gray of Los Angeles, Cal. and one sister, Mrs. P. V. Cole of Georgetown; 23 grandchildren and 36 great grandchildren.

Pallbearers were: Wayne Wieser, V. T. White, Grady Gill, John Wesley Baker, F. H. Scarborough and O. L. Baldrige.

Rites Held For Mrs. Geistmann

Funeral services were held Monday at St. Monica's Catholic Church for Mrs. E. H. Geistmann, 73, of Buckholts. Services were conducted by Rev. John Geiser. Rosary was recited at Marek - Burns Funeral Home Sunday.

Mrs. Geistmann was born at Buckholts August 2 1889, and had lived there all of her life.

Surviving her are her husband, E. H. Geistmann, Buckholts; one daughter, Mrs. Johnnie Fuchs, Buckholts, two brothers, J. A. Walschak and A. R. Walschak of Buckholts, two sisters, Miss Mary and Naomi Walschak of Buckholts and one grandchild, Mrs. James Glaser of College Station.

Pallbearers were Dana Kestenbaum, Arnett Zelisko, Ernest Pfiffer, Walter Kosel, Monroe Kosel, E. J. Geistmann, Ed Krause and Phil Krause.

Births

To Mr. and Mrs. Raymond Linderman of Cameron, a boy Allen Bernard, Sept. 20 nine pounds 10 ounces at St. Edward Hospital.

To Mr. and Mrs. Thomas Yates, Cameron, Sept. 20, a girl, Cynthia Diane, seven pounds seven ounces at St. Edward Hospital.

To Mr. and Mrs. Calvin K. Basse, Minerva Sept. 21 a boy, Ira Douglas, eight pounds 4 ounces at St. Edward Hospital.

To Mr. and Mrs. Joe Alexander, Cameron, Sept. 21, a boy, Gott Two, six pounds 11 ounces at St. Edward Hospital.

Services Held

For John Seidl

Funeral services for John W. Seidl, 77, were held Sept. 18 at Saints Catholic Church in Houston. Rev. Thomas O'Sullivan officiated with burial in Forest Park Cemetery in Houston.

Rosary was held 7:45 Monday at Earthman's Funeral Home. Seidl was born in Rockdale in 1885, died at his home Sept. 16 after an extended illness. He was formerly of Milam County.

Surviving are his wife, two sons Marvin and Leland Seidl of Houston; four daughters, Mrs. W. O. Kieschick, Mrs. Louis Reinders, Mrs. Carl Ray Dulaney all of Houston, and Mrs. Frank Jahn of Burlington; three sisters, Mrs. Annie Helmeke of Sugarland, Mrs. Ouida Holder of Houston and Mrs. Ema Yakesch of Holland; three brothers, Otto Seidl of Houston, Eddie and August Seidl of Rockdale; 16 grand children and one great grandchild.

Pallbearers were Edwin Urban, Oscar Marquardt, Garland Yakesch, Roger Kierce, Herman Mueck and Carroll Jahn.

REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending September 22 were 36 strep throat, one measles, two gonorrhea and one tuberculosis, according to Dr. T. E. Crump, acting director of the Milam County Health Department.

In The Service

NELLIS AFB, Nev. - Airman Third Class Lamar L. V. Jones, son of Mr. and Mrs. Lamar L. V. Jones Sr. of Rt. 1, Gause, is participating in Exercise "William Tell", the Air Force - wide fighter weapons meet being held in this area through September 22.

Airman Jones, who entered the service in December 1960, is an air policeman in the 4520th Air Police Squadron here.

William Tell provides a test of skills for pilots and support personnel in newly devised tactical concepts for limited and general war. The intense competition also develops the effectiveness of tactical fighter teams in close air support and combat - ready maintenance of jet aircraft.

AMARILLO AFB, Tex - Airman Third Class John I. Seigler, Jr. of Walterboro, S. C., is being reassigned to Charleston AFB, S.C. following his graduation from the United States Air Force technical training course for administration course for administrative specialists here.

Airman Seigler was trained to type, prepare and route official correspondence, maintain files and follow general office practices.

Son of Mr. and Mrs. John I. Seigler of Walterboro, the airman

is a graduate of Carlisle Military School, Bamberg, S. C. He is married to the former Sally Alfaro Rt. 4, Cameron.

GRANT LAKES, Ill. (FHTNC)-Curtis J. Janke, son of Mr. and Mrs. Walter M. Janke of Rt. 1, Buckholts completed recruit training Aug. 25 at the Naval Training Center, Great Lakes, Ill.

During the nine - week indoctrination, recruits are trained in physical fitness, basic military law military drill, customs and etiquette of the naval service, swimming and survival, first aid and basic shipboard routine.

During the training, recruits receive tests and interviews which determine future training and assignments.

SAN DIEGO (FHTNC) - Melv E. Knight, son of Mr. and Mrs. I. V. Knight of Cameron completed recruit training, Sept. 7 at Naval Training Center, San Diego, Calif.

Rear Admiral John S. McClellan, newly named Chief of formation for the Navy, acted reviewing officer of the recruit brigade review and guest of honor for the event was James Cop of Copley News Service.

Card Of Thanks

We wish to express our sincere appreciation and heartfelt thanks to all our good neighbors, relatives and friends for the many acts of kindness, Get - Well cards, flowers, personal visits, words of comfort and prayers for us and our loved one during her four years of illness. We extend our thanks to all the Sisters and nurses during her stay in St. Edward Hospital, Mrs. Watkins, Mrs. Folschinsky and all the other nurses, patients and helpers in the Cameron Nursing Home who patiently waited on her and comforted her in any way. Also, our heartfelt thanks to her special nurses, Mrs. Andrew Gersbach, Mrs. Jewel Johnson, Mrs. Rosa Corona and Mrs. Ruth Fino for their tender care and loving kindness during her illness.

We wish to thank Dr. Smith and Dr. Richardson for their services. To our good friends, relatives and neighbors we extend special thanks for all the food, beautiful floral offerings, enrollment in Clerical Endowment Fund, Mass offerings, Memorial Contributions, messages of sympathy, words of comfort, services rendered by all the ladies serving food and all those sitting up with our loved one and any other services rendered to us during the time of our bereavement.

Thanks to Marek - Burns Funeral Home for their splendid services and to Mrs. Winnie Wittliff for her services as organist. Special thanks to Father McCallum and Father Geiser for the comforting sermon and prayers and also to Pastor Pietsch for his comforting prayers given for our beloved wife, mother, and grandmother.

It was a comfort just to know you were there. May God's richest blessings rest upon you.

E. H. Geistmann

Yoemen Edge Taylor 8-7; West Next Contest

Mayer, Schattle
Top Performers

The Yoemen waited until there was only 7:58 left in the ball game before they climaxed a drive which started as a recovered fumble on the Duck 15 yardline. A pitchout from Mike Mikula to Amos Doskocil was good for seven yards and a touchdown. The Yoemen then ran the same play for the winning two points.

Taylor was much tougher than the scores of their first two games indicated. In a game that saw the red flags drop like rain drops in a cloudburst, the Ducks hit pay dirt first with 1:45 left in the first half as Rodney Kincl carried around right end for 24 yards and the touchdown. Playing it safe Rodney Marek split the uprights with the extra point kick.

The Yoemen gained 234 yards in the game which is the highest they have picked up this year. Only once did they fail to make at least line of scrimmage and that was only a two yard loss. Joe Mayer ended the night as the leading ball carrier with 37 yards. Doskocil, whose piston-like legs moved through the Ducks all night, was second with 63 yards and averaged 5.67 yards per carry. Craig Wallace was third with 64 yards and a 4 yard average. Mayer had a 4.44 yard average.

Mikula completed two out of three passes to Wallace for 31 yards in the air.

The game saw the two teams draw 170 yards of penalties and refuse almost that amount.

Several of the Cameron gridders were injured but all are expected to be ready for the West game this week.

Eugene Schattle and Bob Dymke led the Yoemen linemen on offense and defense.

FIRST QUARTER

The Yoemen kicked off with Ronnie McWilliams' kick going all the way to the five. Taylor returned it to the 31. Rodney Kincl picked up three and on the second play from scrimmage Taylor drew five yards for offsidess as the first of many red flags was dropped. The Yoemen held and forced the Ducks to punt.

The Yoemen took the ball on their own 24 and with a combination of running and passing plays the Yoemen moved the ball to the Duck 22 before they could be stopped. In the drive Doskocil accounted for 26 yards including a 17 yard scamper. Mayer gained 13 yards, Wallace hit for 8 and Dickey Ponder gained 8 on keeper plays. Mikula threw two passes completing one of them to Wallace who had to reverse his field to pick up 19 yards. The Yoemen also drew two penalties for 20 yards that stalled the drive.

Taylor took over but alert ball playing by the Yoemen stopped them and they had to punt. Taylor also drew a 15 yard penalty for holding.

Cameron took over on their 33 yard line as Mayer hit for 2. Ponder was stopped for no gain and Wallace took a pitch from Mikula for four as the quarter ended.

SECOND QUARTER

After the teams swapped ends a Yoemen punt was called back because of a holding penalty. Lester then punted out of bounds on the Yoe 43.

The Ducks picked up nine yards in two plays and attempted a pass that went incomplete. Plentl returned the ball to the 23 for a 14 yard return.

The Yoemen took the ball to the Taylor 40 in nine plays with Mayer leading by picking up 30 yards in five carries. Doskocil picked up one and Laffere kept the ball for 3 but short of the first down.

The Ducks took over on the Taylor 37 and moved the ball in a series of plays, 52 yards to score. Ronald Kincl took the ball around right end and outraced the Yoe secondary 24 yards for the touchdown. Then with only 1:45 showing on the clock Rodney Marek's kick split the uprights. The score was Taylor 7, Yoemen 0.

Doskocil returned the kickoff to the Yoe 38 and a personal foul by Taylor moved the ball to the Duck 49.

Wallace picked up 2, Doskocil 3 and Mayer gained one before for 12 yards and a first down as the half ended.

THIRD QUARTER

Doskocil carried the kickoff back to the Yoemen 39 and the Yoemen

kept the ball one set of downs as a holding penalty cost them 15 yards. Mayer picked up eight and Wallace went for 15 but they had to punt.

Lester punted to the 20 where the receiving Ducks were stopped without a gain. Taylor moved the ball to the Yoe 26 with the aid of a 15 yard penalty against Cameron. Kincl carried the ball 34 yards in the drive. Taylor also drew 2 five yard penalties for offsidess. The Yoemen hit the ball carrier on the twenty and recovered the fumble to stop the drive.

The Yoemen took over and moved the ball 56 yards in a drive which included a 15 yard penalty. Wallace picked up 14 in the drive. Mayer gained 15 and Mikula picked up 4. Doskocil thrilled the fans with a beautiful 19 yard run while cragging a couple would-be tacklers along on his legs. Another crowd pleasing event saw an official get knocked down and out for a few minutes. He was able to stay in the game after coaches, managers and doctors checked him over along with the other officials.

Lester's punt was killed on the five. Taylor picked up 8 yards plus a five yard penalty for offsidess as the quarter ended.

FOURTH QUARTER

Taylor picked up one yard and had to punt. Plentl took the punt on the Yoe 43 and returned it to the Duck 37. A foul on the play moved the ball to the Taylor 22. Wallace moved the ball for 2 yards and then for 4. Mayer gained 6. Wallace picked up a first and the ball was inside the ten and the Yoemen fans watched in anguish as the Yoemen lost the ball on a fumble. Taylor ran one play and fumbled the ball and Doskocil recovered the ball. Wallace took the ball for five, moving it to the ten.

Mayer punched out three yards. Mikula pitched the ball to the fleet footed Doskocil who took it around left end for the seven yards for the Yoemen touchdown. Another pitch to Doskocil took the Ducks flatfooted as he raced into the end zone untouched. With 7:58 left in the game the Yoemen led 8-6.

Plentl kicked to the Taylor 33 and it was returned to the 41 by Wayne Schroeder. After a four yard loss the Ducks tried a couple of passes that were broken up by the efficient Yoe pass defense while the big Yoe line kept the passer from finding his target. The punt was returned to the Yoe 29 by Plentl.

The Yoemen took the ball to the Taylor 43 before they were stopped. In the drive Wallace and Doskocil both picked up 19 yards. Mayer gained 9 and Mikula added two to his total.

The Ducks took over on their 17 and moved the ball to the Taylor 20 before the Ducks tried to pass with only 31 seconds on the clock.

The ball was intercepted by Dymke who brought it back to the Duck 45. Mikula then kept the ball on the next play gaining three yards as the spectators counted the seconds out and the drought was broken as the Yoemen defeated the Taylor Ducks for the first time in eight years.

Statistics	Yoe	Ducks

Farmers Reminded

Of Gas Deadline

Farmers who are entitled to gas tax refunds are again reminded by R. L. Phinney, District Director at Austin, to file claim with the Internal Revenue Service by the deadline of October 1.

Claims should be made on Form 2240 for 1962. These forms and instruction sheets can be obtained from county agents or from Internal Revenue offices.

TAGGED FOR PRIZES -- Alcoa Lake Concessionaire Russell Wallis clips a numbered tag on a 5 - lb. bass in preparation for the Rockdale Rotary Club's first Annual Fish Rodeo, September 15 through 30. More than 100 fish have been tagged and prizes will be awarded for those caught. Proceeds from the fish rodeo to be held on Alcoa Lake will be used in Rotary youth and charitable work in Milam County. Some 27 trophies and merchandise prizes will be given away during the contest.

sports herald

By James Hollas

District 19AA only had four teams in action last week and all four won their games. The district is looking stronger each week and it looks as if the winner of the district will have a district loss before the race is over.

Only Rockdale remains unbeaten as they romped over Elgin 30-0. The victory was not sweet as the Tigers lost their ace halfback, Ronnie Menn through a broken leg. He will be out the rest of the season. Menn was the district's leading scorer.

Cameron came through after a sluggish first half to edge the Taylor Ducks 8-7. Doskocil added all eight points to give him a season total of 29 points.

A & M Consolidated had no trouble with Madisonville as they ran over the team 42-12. It was Madisonville's second defeat against 19AA opponents as Navasota handed them a 29-0 defeat. They beat Caldwell 8-0 in the first game.

Hearne gave Franklin a 33 - 12 loss last Friday to win their first game of the year. The Eagle's twin brother combination of Tim and Jim Batson, sons of Coach Ken Batson, scored every point in the game.

Navasota and Caldwell were idle this week.

The Taylor game drew a total of 179 yards as the red flags dropped on too many plays to please the fans. But the flag throwing was not confined to the Cameron - Taylor game.

A look at the statistics for other high school games in the area showed that the free yards were stepped off everywhere.

In the Temple game the officials stepped off 243 yards.

Last week with a little luck all of the games came out as we guessed them. That makes it 4-0 for the season. This week we feel

From The Bus

The Yoemen
Go To Taylor

By James Hollas

What happens when the Yoemen gridders make an out-of-town football trip?

A typical trip was the one to Taylor. Friday afternoon was spent in packing team gear and getting last - minute briefings. Then the boys went home to a light supper, light because: one, the pre-game excitement cuts an appetite, and two, a griddier often leaves a heavy meal on the field.

The boys started arriving at the gym at 4:30, wearing dress pants and sport shirts, the "traveling uniform" for the team. They stored their equipment on the bus and returned to the gym stands.

Meanwhile, band members, cheerleaders, students and some businessmen numbering about 50 had assembled to give the Yoemen a surprise going-away cheer. They lined the walkway to the bus and cheered team and coaches as they filed by.

Now, the Yoemen knew the people of Cameron were with them as they stepped aboard. The bus was bedecked in maroon and gray ribbon and "Beat - the - Duck" signs.

The trip down was silent. Each boy sat with a teammate who played the same position. In a low voice they discussed their assignments.

Then the boys tried to sleep. It was obvious the game was on their minds. Hardly anyone slept. The trip was too short to think of everything. There was just enough time to build up determination to win.

Then they were reminded that Cameron had not defeated Taylor since 1954. Seniors knew that this was their last chance to defeat the Ducks. The Taylor squad had defeated the Yoemen by one point in the 1961 contest, the first YHS loss in six games.

The boys looked out the windows at the passing scenery as the bus rolled onto Taylor. The scenery was green, reminding of Taylor's colors. Football was in the air.

The bus rolled up to the Taylor Fieldhouse, where the youthful Yoemen put their equipment. They walked as a group across Memorial Field to relax and to check the footing. A soft spot here or a slick place there might be the difference between victory or defeat.

Apply
NITROGEN
This Fall!

Get nitrogen-plus by applying Phillips 66 Agricultural Ammonia to corn stalks and other crop residues this fall. That way, you'll store the 82% nitrogen in the soil, which will in turn break down crop residues for extra plant food to help increase your profit per acre next year.

Yoemen To Meet
Top AA Team

After last week's narrow win over Taylor the Yoemen move to West to play one of the strongest AA teams in Central Texas.

The football powerhouse is ranked number one in Central Texas. They have racked up an impressive record as they have beaten every team by an impressive margin. They topped Reicher of Waco 35-0. Midway, who is supposed to give Rosebud a run for the 22A championship was defeated 34-14 and last week in a game in which they were not ready for, they won 28-14 over Itasca.

The Yoemen will again be the underdog in the weight column as the starting lineup outweighs Cameron 167 pounds. The Yoe backs are only outweighed 14 pounds while the line is outweighed 18.7 pounds a man.

The Trojans use the Oklahoma defense with the three interior linemen in a four point stance and the ends standing up. Earnest Kaska, a 176 pound back, is top man on defense in his linebacker position.

The Trojan offense is mainly the winged T with the team most likely to run toward the wing man. Fullback Kaska is according to Coach Joe Davis, the finest back that he has seen this year. He has picked up over 200 yards in each of the last two games. The Trojans ran the trap play giving to the fullback and the sweep plays to the halfback for good yardage. Quarterback Lawson Howard is a good runner and can pass if necessary. They only threw four passes against Itasca.

The Yoemen came out of the Taylor game with a few bruises and other light injuries but are not expected to have anyone out due to injuries.

Last year the West team defeated Cameron 26-18. Two years ago Cameron defeated West 15-0 under its new coach at that time, Billy Bates.

West has 11 lettermen with seven starters returning this year. Pre - season predications did not show West as strong as they are now. Sports writers and others now think West has the possibilities of a real good team.

Starting lineups are:

CAMERON YOEMEN

LE - Merlin Lester - 155
LT - Eugene Schattle - 185
LG - R. L. Mikulec - 150
C - Bob Dymke - 165
RG - Bobby Jones - 150
RT - Mike Koranek - 190
RE - Mike Perrin - 150
QB - Mike Mikula - 140
LHB - Amos Doskocil - 150
RHB - Craig Wallace - 10
FB - Joe Mayer - 145
WEST TROJANS
E - Bobbie Plsek - 193
E - Adolph Vochaska - 190
T - Edwin Lednický - 192
G - Johnny Bajer - 155
G - Raymond Scott - 156
C - Larry Rydel - 201
FB - Ernest Kaska - 176
HB - Terry Reddell - 145
HB - Billy Kolar - 155
QB - Lawson Howard - 165

Yoe B Team Loses

To Taylor 28-6

The Cameron B team lost 28-6 to Taylor in a game that looked like a game of drop - the - hankie because of the large number of penalties.

With less than a minute to go in the game the young Yoemen hit the pay dirt with a twenty-five yard pass from Mack McKinney to Eugene Wallace. The extra point try was no good.

The large Taylor team scored four times with fullback Garry Murski scoring two of the TDs and earning four extra points. Joe Jezek passed to Roy Rogers Reichenbach for two other touchdowns.

Phil Eanes, Larry Paul Manley and Dennis Jistel led the Yoe defenders.

LAND PRICES

Land prices are being determined more and more by non-farm uses, such as recreation, rural home sites, hobby or part time farming, investment and speculation, according to John G. McHaney, extension economist, Texas A & M College.

The Cameron Herald

Herald Editorial Page

If World Doesn't Care, How Can We?

Resounding appeals for wider support of under-developed countries and the UN, beyond fantastic U. S. largess, are coming across highly placed podiums these days.

It could be the recent \$1.12 billion slash out of the foreign-aid bill has enlivened executive branch leaders of this country. The House Appropriations Committee whacked an unprecedented \$1,124,400,000 from the \$4,752,000,000 figure requested by the Administration.

The Committee's action undoubtedly reflected popular feeling that Uncle Sam has been paying and paying, ad nauseum infinitum.

President Kennedy in Houston and UN Delegate Adali Stevenson in New York have appealed for other nations' assuming their proper share of UN support and aid to underdeveloped countries.

The coin is being struck on both sides, however. The Administration is trying to restore some of the slash before the bill reaches the White House for Presidential signature.

Real debate on the continued value of foreign aid now comes forth. And what is that real value?

There are certain commitments, both military and popular, needing approval, particularly those to Turkey, Greece, Southeast Asia and South America.

But those commitments to borderline cases such as Yugoslavia, India and other countries, who play Red vs. West like some kind of yo-yo, need review.

Uncle Sam is a patsy in many eyes, simply because he believes he can "out-do good" communism with dollars. This is hardly the case in 1962.

Western Europe, salvaged by the Marshall Plan of 1948, now stands solvent and competitive to this nation and prepares greater competition in the Common Market. Japan, only a few years ago under U. S. military occupation, is outcompeting this nation in many areas of industry.

They should accept some of the responsibilities that Uncle Sam's largess

has made possible for them to accept.

Underdeveloped nations, most of them unknown even five years ago, clamor for a voice in the UN and a "place in the sun." But along with Russia, they fail to pay proper support either on time or in amount, to the UN. They should expect, as proposed, to lose their UN voice and vote if they don't pay their way.

The 18 per cent slash of Peace Corps funds possibly should be reconsidered, simply because personal contact with competent U. S. representatives at the grass roots, rather than over embassy cocktails, is abundantly more successful in curbing communism.

It is wiser to pay salaries to teach underdeveloped countries how to feed and clothe themselves than chance loans they may never fully utilize. To do nothing is to invite continued "bread basket" expansion of communism.

Uncle Sam cannot support everything everywhere and we are glad his current spokesmen are telling the facts to the rest of the world.

The U. S. has approved purchase of \$100 million in UN bonds if other powers buy relatively large blocs themselves. We have committed to an "alliance for progress" in South America that has Latin countries seeking a long-term payout program of UN obligations.

It is likely a lot of restoration will be made in the House committee's bold slash, the first in 15 years. It is equally predictable that "dollar diplomacy" will be tagged "old hat".

If we are to compete with the West European Common Market, then Europe should be obligated to pay an equitable amount of aid to the new nations of the world. And the new nations should pay a proportionate share of the UN's \$150,000,000 debt, because they owe it and benefit most by it.

Other wise, orderly development of world resources and people is not possible. A final "if" would be: "If" other parts of the free world do not care to assist in these problems, we cannot.

Dateline Austin —

TRC Begins On Oil Well Rules

By Vern Sanford

AUSTIN — Rules to prevent future crooked oil wells are being hammered out by the Texas Railroad Commission.

Chairman Bill Murray and Commissioner Ben Ramsey laid out a proposal for tougher rules.

Oil industry spokesmen split down the middle on the proposed rules. They say it is not possible to drill a vertical hole without greatly adding to the cost.

Commission took proposals of its own staff and of the industry under study after a long hearing. Ramsey said the Commission should not add to industry's drilling costs, because the public pays them all.

But it was clear that the Commission now will crack down to make sure wells do stay under property lines.

SLANT OIL WELL SURVEYS

Major and independent oil producers have contributed a total of \$306,709 for surveys to find "slanted" wells in Texas fields, Attorney General Wilson disclosed.

All but \$40,000 has been used. Surveys to date have revealed 130 deviated wells in the East Texas Field, 14 in Hawkins, one in Quitman and one in Friendswood.

The Railroad Commission plans to run inclination surveys on the remaining wells which are suspected—between 200 and 300 in the East Texas Field alone, Wilson said.

ISLAND PARK

Lake Commissioner Jerry Sadler plans to fight the proposed bill to create a National Seashore Area on Padre Island when it comes before the State Legislature in 1963.

Congress voted the long-debated bill, but Texas legislators will have to approve the project.

Sadler contends that the Federal government will be grabbing a lot of state oil under Laguna Madre. Sponsors retort that this isn't so — that the U. S. law specifically provides that oil rights are to be retained by present surface owners.

PARKING

Parking around the State Capitol always has been a problem.

It's even more so since several new state office buildings have concentrated state employment in the Capitol area. Much of the available space is kept reserved for parking by State Officials.

Now Atty. Gen. Will Wilson has ruled that the State Board of Control, which is the housekeeping agency around the Capitol, has no authority to regulate parking.

Board members had hoped to find they had the authority under an old law on horses.

Resolution Plans Slated For MFB

At the Board of Directors meeting of the Milam County Farm Bureau September 6, plans were made for a meeting to be held in the several communities for the purpose of Farm Bureau members and other interested citizens to get together and study the problems of the Farms and Ranches.

Also to prepare community Resolutions to be presented to the Resolution Committee of the Milam County Farm Bureau. These resolutions will then go to the State Farm Bureau Convention to be held in San Antonio early in November.

John A. Smith will serve as chairman for the Resolution Committee of the Milam Farm Bureau. Meetings will be held in: Marlow, Sept. 27 - Community Center Bldg, 8 p. m.

THE OLD PHILOSOPHER

Philosopher Says If There Are Intelligent Beings Out In Space, Let Em Look Us Up

Dear editor:

A man asked me the other day if I was opposed to exploring outer space.

"Didn't know Congress was going to put it to a vote," I said. "That's not what I mean," he said. "But from what I read in one of your letters a while back, I got the notion you think we could be spending our money some place else."

"We are spending our money some place else, in fact, every place else there is, I told him, and added that I wasn't opposed to exploring space, but space ain't my main preoccupation.

Here's the thing: we ought to explore space, but it has always struck me as funny to speculate on a scientist taking aim to fire a space ship a million miles out into the unknown and having to stop to scratch a chigger bite. What sort of scientific advance is it if a scheduled trip to the moon, after years of painstaking planning and with all lights flashing GO, has to be postponed because the astronaut has a bad cold?

This year we're spending five billion dollars on space, and seven million on trying to get fresh water from the ocean. That what I'm talking about. I can see a lot more fun in having all the fresh water this Johnson grass farm needs than in traveling through I think we ought to whip space, but I'm in favor of whipping drougts, flies, chiggers and mosquitos.

EDUCATION COMMITTEE Texas State Committee on Public Education will meet in Austin on Sunday, September 30.

Two of the speakers will be Dr. Irby B. Carruth, superintendent of schools in Austin and president of the American Association of School Administrators and Dr. J. W. Education.

Their talks will be followed by comments and questions from committee members.

LEGISLATIVE STUDY

A three-member subcommittee of the Texas House Committee on Saving Taxes will make a study of the operations of the State Railroad Commission. Members are J. W. Buchanan of Dumas, chairman; Olen R. Petty of Levelland and George Preston of Paris. Preston is chairman of the full committee.

Purpose of the parent committee is to seek ways to effect a saving in the State tax dollar.

MEAT AVERAGE Per capita consumption of meat in the U. S. averages 160 pounds per year, compared with 68 pounds in Russia.

Now I know people will say, yeah, but space is a great new adventure, nobody knows what's out there, there may be even creatures more intelligent than we.

Well, there may be, but my position is, if there are intelligent creatures out there, why aren't they looking us up? Let's let them share at least part of the tax burden and explore us. There must be as much scientific data they could collect from us as we from them.

This is like saying a man isn't really educated until he's visited Europe. Or making it worse, a European isn't educated till he has visited us. My contention is that a man can be ignorant either way, whether he goes or stays.

I hope my television set doesn't blow a tube right when we send a man to the moon. I'll be there watching, fly-swatter in hand.

Yours faithfully,
J. A.

New Distribution Industry Coming...

A building is being prepared for occupancy for a wholesale distribution business on the Courthouse Square.

Though details are not yet available, the food distribution business will occupy the Gohmert Building on the west side of the square.

We say welcome to the new concern and its owners. We are happy they chose Cameron for its location, certainly one of our major assets.

An expanding network of highways in the Milam vicinity will ultimately serve this area well in bringing greater concentration of distribution type businesses which serve the booming metropolitan areas 150 miles north and south.

And finally, this location will mean input of industry wishing to serve the mushrooming populations of Houston, San Antonio, Dallas - Fort Worth.

In fact Cameron already has some six large distribution businesses and other manufacturing or processing plants keyed to our location is a signal beckoning industry of all types.

Central location is important to distributors of food products and consumer goods. That, no doubt, is one reason why Cameron was given the nod for the Courthouse Square operation.

Industry likes good location as well as ample water, working force and good tax base, schools, recreation, utilities and other basic inducements.

This concern is among the most recent who find Cameron and vicinity to their liking. They join the growing number of concerns, based both in agriculture and consumer goods, who can see Cameron's advantages.

We predict that many more will follow.

An Open Letter . . .

The P. T. A. Needs You! -----And Here's Why

(The following is an open letter stating, in precise, well-reasoned terms, why the Cameron Parent-Teachers group aspires to more membership. The author, Mrs. Ollie Chamberlain, states the basis and need for interested support for Cameron schools, which like the thousands of school districts across the country, are only as effective as adult interest in local schools. -Ed.)

Often when one thinks of the PTA one of two extreme views tends to pop into view. It is looked upon either as a kind of super-imposed tax upon the parents of most children and inconvenience which is endured, or as something akin to a religion, with its heart-throbbing devotion, with its vows and secret terminology.

Neither of these two extremes is true. The Cameron PTA strives simply to be a working body of

people interested in the welfare of the children and youth of our community. Our goal is not to become a confused mass of procedures and meaningless phrases, but to become a vital force in the improvement of the educational program in our community.

Realizing that only by proper preparation of our youth today can we hope for a better world tomorrow, we strive through more effective communication between the schools and the community, the teachers and the parents, and through active programs of community education and improvement, to awaken the complacent to the needs of our children. This is why we need you to become a member of the Cameron PTA.

Already programs are being investigated, plans are being made for a more effective job in fulfilling the needs of both our children and youth. What we need now are those who are willing to cooperate and help us fulfill these needs. This is why the Cameron PTA needs you.

Some have gotten the mistaken idea that the PTA is only for those who have children in the local public schools. Nothing could be farther from the truth. Although one of the primary objectives is to maintain better communications between the teachers and their students' parents, the local PTA desires the parents of preschool children the parents whose children are now out of school, and even those without children who are keenly interested in and aware of the needs of our youth to join the PTA and become an active, contributing member toward the improvement of our community.

Yes, much can be done, -- but not without you. The Cameron PTA needs you and you have heard some of the reasons why. Join the PTA -- Your Children Need You.

— Mrs. Ollie Chamberlain

Class Officers Named At YHS

Class officers for Yoe High School classes have been named recently.

Heading the senior class will be Mike Mikula as president; Morris Morgan as vice president; Bill Looney as secretary and Bob Dymke as reporter.

Junior class officers are Jolene Wied, president; Merlin Lester, vice president; Carolyn Mullinax, secretary and Craig Wallace, reporter.

President for the Sophomore Class will be Mike Perrin while Laurence Laffere will serve as vice president. Secretary will be Cathy Schofield and reporter, Mary Beth Nance.

President of the Freshman class is Eugene Wallace. Vice president is Nancy Schiller; secretary, Jane Conley and reporter, Paul Edmonds.

1963 CHEVROLET -- This Impala has smart new style with the grace of America's most costly cars. Full-width grille, bumpers, hood, windshield, sculptured side panels and rear deck con-

tours enhance the sleek new look. The new Chevrolet line -- regular Chevrolets, Chevy II, and Corvair goes on display Friday at Burkes - Howard Chevrolet, Cameron.

3 Chevy Lines To Show Here

Three distinctive lines of 1963 Chevrolet automobiles will go on sale at Burkes - Howard Chevrolet, Cameron Friday.

Offering 33 models in regular lines, Chevy II, Corvair and Corvair -- each aimed at a specific segment of the market -- the 1963 cars represent faith in a continued strong national economy by Chevrolet, which is already on its way to setting an all-time industry sales record for 1962.

There are significant styling changes in the regular Chevrolets, a continuation of their unique automotive personalities by the Chevy II and the Corvair, and two entirely new bodies and a new chassis for the Corvair Sports car. All models have significant mechanical improvements.

There are significant styling changes in the regular Chevrolets, a continuation of their unique automotive personalities by the Chevy II and the Corvair, and two entirely new bodies and a new chassis for the Corvair Sports car. All models have significant mechanical improvements.

ffered in 13 models in the Impala, Bel Air and Biscayne series. There is a sleek, longer look with all-new styling. Straight windshield pillars improve access for driver and passengers. The new front grille of anodized aluminum extends the full width of the vehicle, while a depressed center area adds new interest to the broad rear deck lid.

Smooth, straight line styling gives the side of the new Chevrolets a flowing look of motion. A horizontal line highlights the sculpture of the side, extending from the foremost point of the front fender to the extended point of the rear fender. Lower a slender accent rib from midway down the front fender skims the top of the rear wheel and carries through to the rear bumper.

Throughout the line, ventilated rocker panels provide a new measure of protection from corrosion. Doorlocks are improved to enhance

passenger safety.

The Impala sport sedan has a fleet, new roofline and an optional vinyl top is available for the Impala sport coupe. Fifteen solid colors and eleven two-tone combinations are available in the regular Chevrolets. Interiors of the cars are entirely new and more luxurious for 1963.

Chevy II -- In its second year on the market, Chevy II continues the basic styling of the previous model with new exterior and interior appointments. There are ten models in three series.

There is a new grille and wide hood and deck lid emblems to give a more massive look to the car. There are new body side moldings for the 300 and Nova 400 series.

For 1963, Chevy II offers Super Sport options on its Nova 400 sport coupe and convertible, featuring bucket seats and all-vinyl interiors. Fifteen solid colors and eleven two-tone combinations are available on Chevy II models.

Mechanically, the Chevy II has self-adjusting brakes and Delco-tron generators. Four-and six-cylinder engines again are offered, with minor improvements. Longer life mufflers are standard on all models. Radios are completely transistorized.

Relatives Visit In Barclay

By Mrs. J. A. Blasienz

Mr. and Mrs. Louis Skala, Lillie and Jerry and Terry Mayer and Joe Scheler were guests of Mr. and Mrs. Billy Ernst and son of Barclay last Sunday.

Mr. and Mrs. Bill Fugue and family of Dallas were guests of Mr. and Mrs. Amos Deshotel and Amos Jr. recently.

Mrs. Joe Hawk and Butch spent last Monday night with Mr. and Mrs. Johnny Joe Hawk and children of New Braunfels.

Mrs. Louis Skala, Lillie and Mrs. V. D. Dodd were visitors in Temple Saturday.

Sunday guests of Mr. and Mrs. Bill Harrison were Mr. and Mrs. Howard Harrison and Carol of Midland, Mrs. Mildred Jenkins of Waco, Mrs. T. F. Lee, Ft. Worth, Mr. and Mrs. Charles Burnett, Bryan, Mr. and Mrs. Leland Burnett, and family of Ben Arnold, Mr. and Mrs. Jimmy Harrison and children, Rosebud, and Mr. and Mrs. Hubert Skala and Kelvin.

Mr. and Mrs. C. E. Richardson and family of Ft. Worth spent the past weekend with her mother Mrs. V. D. Dodd and other relatives.

Marilyn Kaye Hawk spent Saturday in Cameron with Debra Coker. Paul Hawk, returned to Austin Sunday where he will attend Texas University.

Mr. and Mrs. O. J. Rhodes of Smiley spent the past weekend with Mr. and Mrs. J. A. Blasienz. Mrs. S. E. Little, Mrs. Audis Little and Mrs. L. V. Thomas all of Pleasant Grove, also have been home.

Mrs. Bill Kohring and Lloyd of Holland, and Mr. and Mrs. Leroy Kohring of Rogers have been visiting Mr. and Mrs. Alfred Kohring recently.

MOISTURE TEST
A simple moisture test for silage is to squeeze a handful. If it springs right back it's too dry. If it comes back gradually it's just right. If it remains in a compact mess it is too wet.

Quigano Rites

Held Tuesday

Funeral services for Mrs. Annie Quigano, 43, were held Tuesday at Port Sullivan Cemetery. She was born in San Antonio but had resided in Milam County most of her life.

Survivors are: her husband, Antonio Quigano of Branchville Community and three children, Aurora, Joel and Santos Quigano.

Green Funeral Home was in charge of arrangements.

FHA, FFA Plan To

Attend Dallas Fair

The Yoe High Chapters of the Future Homemakers and the Future Farmers of America are planning to take a trip to the Texas State Fair in Dallas on October 6.

The group will leave early in the morning and return late the same night.

All students must be paid members of their organizations.

Yoe High Band To Attend BU Game

The Yoe High School Band will be among many Central Texas Bands to attend the annual Band Day football game at Baylor University stadium.

The band will attend the University of Pittsburgh and Baylor game Sept. 29 a night game.

Band Day is set aside by the University to honor all high school bands. Every year a different band is chosen to march in place of the visiting college band. This year the Stephenville High School band will perform at halftime.

Miss Jan Prescott, daughter of Mr. and Mrs. Jack Prescott of Cameron has re-entered San Marcos Academy, San Marcos, as a junior.

Tomorrow-GO JET-SMOOTH CHEVROLET for '63

If it didn't say Chevrolet on the flanks of the superb automobile you see here, you'd have a hard time proving it's a low-priced car. It offers luxurious styling, extremely comfortable, spacious and silent interiors... plus a lot of invisible ways to keep it looking and running like new when a lot

IT'S EXCITING!

of others have started to sag and sigh: new flush and dry rocker panels under the doors to guard against rusting... self-adjusting brakes... Delco-tron generator for longer battery life. If you ever wondered why Chevrolet leads its field, a drive in this '63 should answer all your questions.

GO CHEVY II for '63-IT'S EXCITING!

GO CORVAIR for '63-IT'S EXCITING!

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines all the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that'd do justice to cars with twice its price and half its charm.

It's Chevy Showtime '63!—See four entirely different kinds of cars at your Chevrolet Dealer's Showroom

OUTDOORS IN TEXAS

By Vern Sanford
Hunters who go after mule deer in the Trans - Pecos area this year will get a better break. They'll have two weeks for hunting, beginning December 1.

For a number of years the season has been limited to eight days. Also this year there will be a greater number of doe permits in that country west of the Pecos, where the big deer grow.

Mule deer situation in West Texas now appears to be fairly good. The high country has had more rain than other parts of Texas. Furthermore, ranchers there do not overgraze like they did at one time.

Hunting muleys differs a great deal from hunting white-tailed deer. For the most part the big mule deer are in the high country, or the canyons leading off the principal mountains. However, there are a number of white-tails found in the mountain area of far West Texas.

Although Marfa and Alpine generally are considered the gateway to the best mule deer country, other places like Sanderson, Fort Stockton, Fort Davis, Van Horn and Pecos are surrounded with good hunting territory.

Of particular significance in this part of Texas is the Black Gap Wildlife Management area. This area is bounded on the west by the Rio Grande and on the north partially by Big Bend National Park.

Under strict surveillance at all times the management area, operated by the Game & Fish Commission, provides many of the mule deer for West Texas.

Area itself covers only slightly more than 100,000 acres. Influence of the management program, however is felt throughout an even wider area. Result is more and better deer.

In addition there is the Sierra Diablo area in Hudspeth County, also owned and operated by the state.

This area lies north of Highway 69, and is in the general vicinity of the highest mountains of Texas. It is bounded on one side by Victoria Canyon, which approaches the Grand Canyon both in size and grandeur.

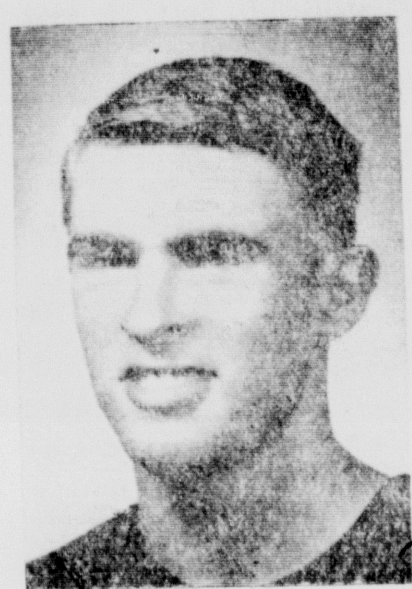

Good mule deer hunting in this mountainous country is, for the most part, rough hunting. Not much is done on foot.

In bygone days a great deal of this hunting was from horseback. Today hunters use the four-wheel-drive jeeps and climb as high as possible to work out the timbered canyons.

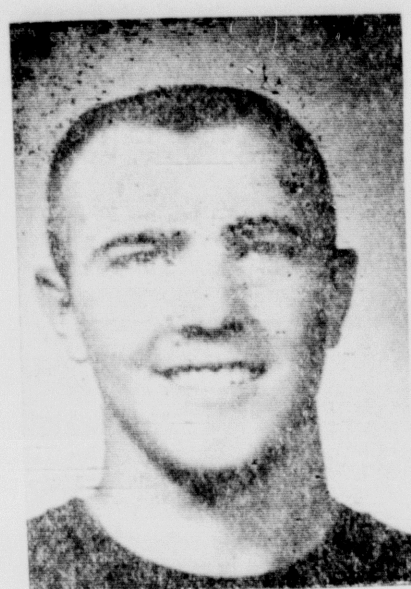

Despite the barren appearance of this area, at first glance, there is considerable timber back in the deep canyons running off the high peaks. Most of the timber is oak, with mesquite and cedar for fill-in. About the timberline, at an altitude of approximately 5,000 feet, also is found pinon, a form of pine.

During the early fall mule deer will feed in the open pasture land. But at the first sign of winter, they go into the back country. So that is where the best hunting generally is to be found.

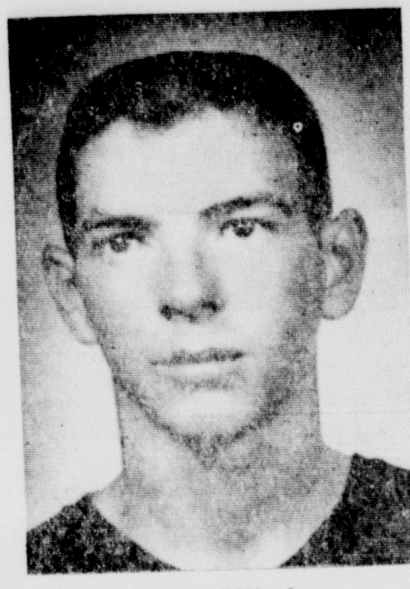

Sometimes the big old bucks go to the high plateaus. Here they find good grazing and ready canyons to dash into when the hunter shows up.

* Indicates District 19 AA Games
Game Time: 8 p. m. Non - District -- 7:30 p. m. District

After winning their last game against Taylor the Yoemen will move to West to take on the highly ranked Trojans.

West has not lost a game this year and is hoping to extend this streak against the Yoemen. They are now rated Number one in Central Texas AA ball and sports writers think that the team is one of the best in in recent West history.

The Yoemen are improving in every game and are expected to give the Trojans a good game. They will be out-weighted again as they have in every game.

It looks like another exciting game Friday night in West!

County Agents Notes...

Rules For Good Winter Pasture

By J. D. Moore
Milam County Agent

Proper seedbed preparation and fertilization are very important steps as a foundation for good grazing. A soil test is the best means of determining the type and amount of fertilizer needed for a given field.

WHAT TO PLANT

Elbon Rye and Oats will do a good job if high seeding rates and good fertility are used. During the past several years Buck Angell has consistently had good winter grazing using Elbon Rye planted at the rate of 80 pounds of seed

per acre. He has used about 30 pounds of nitrogen and 30 pounds of phosphorous to start the crop. After the crop is up and growing good, an additional 30 to 40 pounds of nitrogen is used as a top-dressing.

Angell recommends heavy grazing of 2 to 3 head of cattle per acre during March to keep the Elbon Rye from "booting" out and to give more grazing.

ANOTHER OPINION

Billie Ellis, local Dairyman, prefers Moregrain Oats as a winter grazing for Dairy cattle. Oats should be planted at the rate of 3 bu. per acre. Mr. Ellis feels that oats furnish a little higher quality feed for dairy cows. Then too he says that oats will furnish grazing longer than Rye. It is highly important that dairy cows have access to good grazing of such quantity and quality that will enable the cow to "fill up" with the least amount of effort.

EXPERIMENT STATION TEST

At the Temple Station in 1959, these results were obtained:

March 4 - Moregrain 2015; Elbon Rye, 2480.

April 7 - Moregrain 1150 and Elbon Rye 1600

May 29 - Moregrain 2480; Elbon Rye 740

Total: Moregrain 5945; Elbon Rye 4820.

The test agrees with local tests that show more early grazing is obtained from Elbon Rye but oats give a little higher total over a longer period of time.

COTTON REPORT

Trading in current ginnings continued to move at a slow pace on Southwestern Area markets according to the USDA's Cotton Division. Farmers were offering more freely on country markets when prices were at loan level and above.

Light Spotted grades moved in small quantities at from 25 to 50 points above loan rates. The higher White qualities sold at prices slightly below loan values at 50 points above and the lower White grades moved slowly at prices up to 100 points above. Entries into the CCC loan continued heavy.

AUSTIN — Trading on country markets continued to drag. Supply was by far greater than the week demand. Loan entries were heavy. Small volumes of well matured cotton in the lower White qualities, and Light Spotted grades sold at prices up to 100 points above CC loan rates.

Jones Prairie ---

Florida Guests Visit Stidhams

Mr. and Mrs. Virgil Kramer of Ocala, Florida, Mrs. Eula Erving of Houston and Mr. and Mrs. P. H. Tindall of Calvert were Thursday visitors of Mr. and Mrs. T. B. Stidham. The former being cousins of Mr. Stidham and Mrs. Tindall and formerly lived here.

Mr. and Mrs. J. A. Pond were weekend visitors of his brother and family Mr. and Mrs. Pat Pond in West Columbia the past week. They also visited his brother, Bo Pond in VA hospital in Temple on Tuesday.

Mrs. Leroy Masengale of Mayfield visited Miss Susie Atkinson Wednesday afternoon.

Mr. and Mrs. Ben Massengale were Marlin visitors Monday.

Mr. and Mrs. J. D. Black and son Frank were weekend visitors of their son and brother Mr. and Mrs. Jack Black and son Dennis in Port Lavaca.

Economist Takes Look At Texas Land Prices

COLLEGE STATION — Traditionally, land prices and net farm income move in the same direction with a lag of one or more years. But, says John G. McHaney, extension economist, this generally hasn't been happening in Texas for about the past 10 years. During this period land prices have not been responsive to variations in crop and livestock yields, prices or net farm income.

McHaney cites several factors which have contributed to the situation; one that has caused many farmers and ranchmen to say land prices are so high they cannot make a fair return on their investment. More and more, he says, land prices are being determined by off-farm factors. These include its use for recreation, rural farming, investment and speculation.

With population on the rise, and with per capita income high plus longer weekends and vacations, urban people are in a better position to purchase and operate land to say nothing of the enjoyment and wider range of benefits they can derive from owning land. City life is becoming even more congested and complex and so many urban-dwellers are turning to rural areas that some farm-to-market roads may be better described as "city-to-farm" roads, says the economist.

Many people feel that ownership of our basic resource — land — gives them more economic and social security and independence. Whether or not this feeling is real, it, nevertheless, seems to be a factor in causing certain urban people to become interested in land ownership, believes McHaney.

As for the future, McHaney sees it this way. As the State's population increases and the supply of land remains constant, there is reason to believe that land will become even more precious in the minds of people. Over the long-run, the trend in land prices will be upward. There will be, he adds, periods of ups and downs in prices. These will affect some areas of Texas more than others.

So long, he adds, as we have general prosperity high employment and per capita income, land prices are expected to remain at a high level. A severe recession in the future would drop prices but even this decline would lag behind the general price level by several years, he believes.

New Fords Have Thunderbird Line

Two new hardtops and three new station wagons feature Ford's new pace-setting middle-weight line of Fairlane cars for 1963. They will be among Ford cars on display Friday at Hefley Stedman Motor Co.

Introduced in 1962 in sedan models only, Fairlane passed the quarter-million sales mark at the end of the model year, out-selling 20 other makes of full-line domestic cars.

The two new hardtops models capture the Thunderbird spirit with a lower profile, sleek thin roofline, rakish windshield angle and smartly styled over-all appearance. Newly-designed bucket seats,

a full-length console and luxury car appointments combine to express a sporty feeling of fun on wheels.

The new Fairlane wagon line of three models includes the Fairlane Squire with simulated exterior wood paneling. Bucket seats will be available for the Squire Wagon as well as for the Sports Coupe.

"Engineering advancements and modern production techniques have eliminated the need for the traditional 1,000-mile inspection and have increased major lubrication intervals to 36,000 miles," Ford marketing officials said.

A complete range of economy and performance is offered by 21 different combinations of engines, transmissions and rear ends. The 6-cylinder 170-cubic-inch engine is available with standard or automatic transmission, the 221-inch V-8 is available with a 3 or 4-speed fully-synchromeshed or 2-speed automatic transmission and the 260-inch V-8 can also be ob-

tained with a 3-speed automatic transmission. Four separate differential ratios are available on all engines. Overdrive is also available with either V-8.

The 1963 Ford Galaxie features completely new styling, a new high economy V-8 engine, new 36,000-mile major lubrication interval and a "compliance-link" suspension.

The 1963 Galaxie represents an all-out effort by our stylists, engineers and product planners to capture an even greater share of the volume standard-size market," said E. F. Laux, Ford Division general marketing manager.

Galaxie is currently accounting for 46 per cent of Ford Division sales as a separate car line, Laux said, with the sleek "500XL" series taking one out of every eight Galaxie sales.

Features include an optional Thunderbird-type swing-away steering column for convenience of entry. Vent windows are crank-operated, seat cushions feature three inches of foam rubber, interior door handles are luxurious paddle-type and a new Am-FM radio is optional.

An all-new, three-speed manual shift, synchromesh transmission is standard on all 1963 Galaxie models. The new transmission, first of its type ever offered on U.S. built passenger cars, is synchroniz-

ed in all forward gears to minimize hard shifting, gear clash and tooth wear.

FORD FALCON

The Ford Falcon for 1963 emphasizes sports appeal with five new models, new styling and a host of new features.

"The Falcon will offer 17 model choices for 1963 — more than any other compact line in the industry," O. F. Yando, Ford Division general sales manager, announced.

New Falcon models, all in the

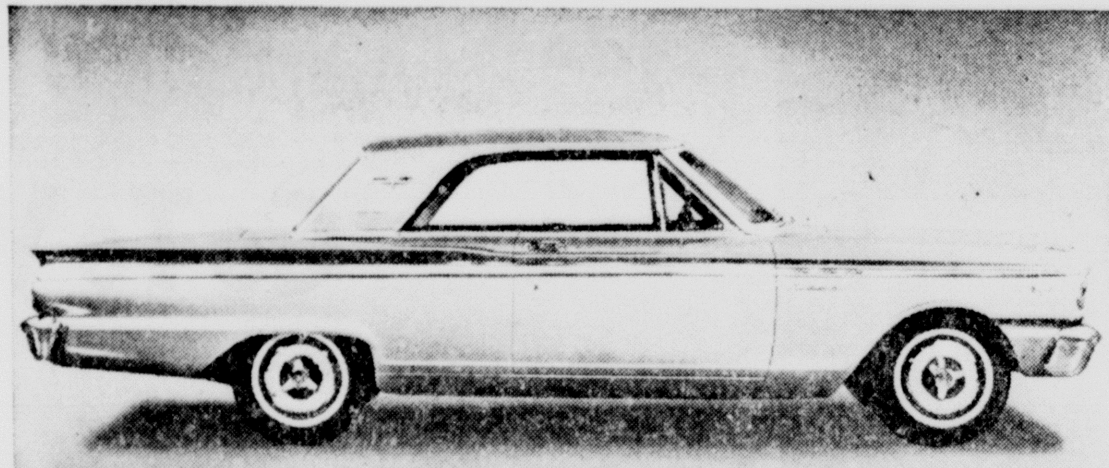

sporty Futura series, include a four-door sedan and two convertibles.

Sharply reduced maintenance features new for 1963 include 36,000-mile chassis lubrication interval (up from every 1,000 miles), elimination of the traditional 1,000-mile new car inspection and self-adjusting brakes.

Power steering will be available as an option for the first time in 1963. Also available as an option

is a fully-synchronized four-speed manual transmission.

The sports flavor of the 1963 Falcon line is reflected in a new Thunderbird-type roof for all sedans and all-around styling refinements that give all models a lower, speedier look. Interior appointments are tailored with luxury car plushness. Falcon offers fifteen different performance levels through various engine, transmission and rear axle combinations

1963 FORD — Two completely new hardtops and three new station wagons have been added to Ford's sports coupe with Thunderbird-style roofline features a full-length console separating luxury-

styled bucket seats and color-keyed interior. Ford Falcons, Galaxies and Fairlanes will be displayed at Hefley-Stedman Motor Co. Friday, September 28.

Coming Friday—the '63 Fords... America's liveliest, most care-free cars!

The longest, liveliest, most beautiful line-up of new cars ever presented under one dealer's banner! 4 classes... 44 models... all* with amazing service-saving features that reduce service stops to twice a year or every 6,000 miles... save you time, trouble, money.

'63 super torque Ford Galaxie (foreground: Galaxie 500/XL 2-Door Hardtop). The look, the power—and now the feel of the fabulous Thunderbird! The glamorous '63 Ford Galaxie has a ride so new, so effortless, so Thunderbird-smooth, you must try it to believe it! Super torque thrust ranging up to 405 hp (optional). Exciting new elegance—including an optional Swing-Away steering wheel that moves over to let you in. It's the liveliest of the Lively Ones for '63!

'63 Ford Fairlane Hardtop (background: Fairlane 500 Sports Coupe). Hot new middleweight... with V-8 punch! Presenting a full line of nine stunning Ford Fairlanes! New styling! New power! Wide 'n' handsome choice! Three new middleweight wagons. Two dashing new hardtops. Four jaunty sedans. All give you big-car room, ride, performance... nimble new size... saving price. Optional bucket seats... new 260 V-8... 221 V-8 (or standard Six). Fairlane—new idea in cars!

'63 FALCON (Futura Sports Convertible). Fun is what's new in Falcon—America's all-time economy champ. The fun begins with the first Falcon Convertible and runs through 15 of the liveliest, lowest-costing cars and wagons in the land. And this year, Falcon goes even

further to save you money and bother. All '63 Falcons* have the exclusive twice-a-year service-saving features of big Fords. Options include bucket seats, 4-speed floor shift, sizzling 170 Special Six (Special Six standard in Convertible)... along with power-operated top!

Additional \$152

Million Added For

Rural Housing

An additional \$152 million has been made available for rural housing loans, Secretary of Agriculture Orville L. Freeman announced today.

Today's action makes a total of \$182 million available through the Farmers Home Administration for this type of credit during fiscal 1963. The funds come from the \$430 million authorized by the Housing Act of 1961, to be expended within a four - year period. Approximately \$95 million was obligated during fiscal 1962.

"These funds will help 20,000 rural families who do not now have adequate housing to obtain credit to finance a new home or improve the home they already own," Secretary Freeman said.

Mrs. Smith Hosts

Service Guild

The Wesleyan Service Guild of the First Methodist Church met Wednesday night in the home of Mrs. Charles Smith, Jr. for their first regular meeting of the 1962-63 year, with all members present and one guest, Mrs. A. C. West.

Mrs. Charles Nabours opened the meeting with a prayer and a devotional "Our Opportunities".

Mrs. John Batte was elected recording secretary and promotion secretary and Mrs. W. A. Bonds was elected vice - president and program chairman.

The program book "Called, Comforted, Compelled," will be the basis for study for this group this

August Aluminum

Output Down

Production of primary aluminum in the United States in August amounted to 168,096 short tons. The Aluminum Association reported today.

August output of the nation's seven producing companies represents a drop of 16,020 tons, or 8.7 per cent, from the record levels of July when production totaled 184,106 tons, the association said, but was 1,046 tons over the 167,040 tons produced in August 1961.

Production last month was lowered by work stoppages due to brief strikes in many plants in the industry.

Aluminum production for the first eight months of 1962 amounted to 1,394,450 tons, up 149,720 tons, or 12 per cent over the 1,244,730 tons produced in the corresponding period last year.

Highest production month on record was May 1962 when production reached 184,211 tons.

Picnic Scheduled

At Marak Church

St. Cyril and Methodius Church Marak, will sponsor an annual picnic Sunday Sept. 30 starting at 2 p.m. Cotton auction and other items at 3:30.

Church workers will serve a sausage and chicken supper from 5 to 8 p.m. The picnic will be climaxed Sunday night with a dance featuring the music of the Vrazel Polka Band.

Everyone is cordially invited.

August Bond Sales

Total \$43,735

August Savings Bonds sales in Milam County totaled \$43,735 according to Henry Siebman, chairman of the county Savings Bonds Committee.

Sales for the first eight months of 1962 were \$356,881 which represents 92.3 per cent of the county's 1962 goal.

Minerva School

Homecoming Set

Parents, teachers and ex - students with their families and friends are invited to attend the Minerva School Homecoming Saturday, Oct. 6 at the old school building in Minerva, in honor of the teachers.

Bring picnic lunches and spend the day visiting with old friends of school days.

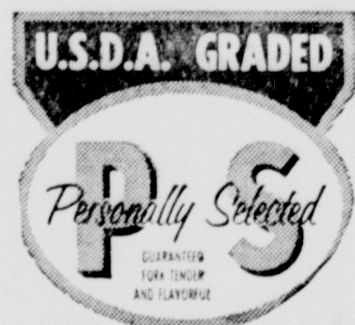

CONFERENCE SET

A panel will discuss the "Juvenile Devil and the Adolescent Angel and the Twilight Zone Between" during the Town and Country Church Conference to be held October 17 - 19 at Texas A&M College. Four outstanding leaders in the field of juvenile correction will comprise the panel which is to be part of a workshop session of the conference.
